Never Before Sold at So Low a Price

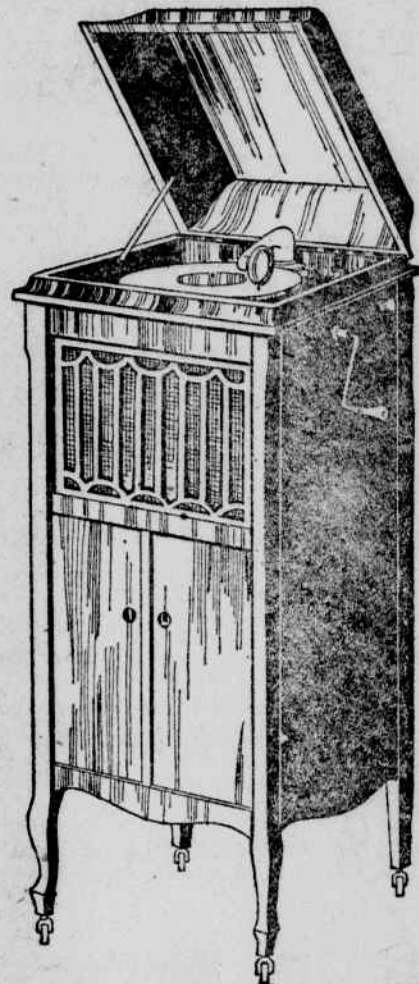

A remarkable opportunity to secure a superb instrument at less than one-half the price of the only machines which can be at all compared with it.

Not To Be Confused With Inferior Makes
Offered Elsewhere at Similar Prices

Note these superiorities in the Ru-stella. It is a full-sized phonograph of distinguished appearance, 47 1/2 inches high, 19 3/4 inches wide and 20 1/4 inches deep.

The master-made horn, the universal tone-arm (made to play all records), the reproducer—the vital parts which make for perfect tone production are in the Ru-stella brought to the highest degree of perfection.

The Ru-stella cabinet is of genuine fine-grained mahogany finish, of five-ply construction, with careful detail as to top and bottom rails; keyed corners and dust-proof doors. A durable, attractive instrument.

The "Ru-stella" is an instrument of highest grade. It plays all records, and plays them perfectly. Plays five ten-inch records with one winding. Guaranteed by Macy's for two years. This includes service without charge.

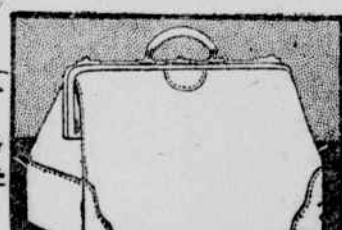

If you're ever going to enjoy the delight that comes from owning a phonograph—or if you want to delight the whole family with a worthwhile Christmas gift—come to this noteworthy sale and save money.
